MISSION: WORKFORCE DEVELOPMENT

Oscar & Ma's organizational mission is to generate employment opportunities for people with barriers to employment.

The nonprofit was founded by Scott Green, an Orange County, CA entrepreneur and philanthropist. His vision was to create an events organization that employs and trains people from marginalized communities, while also providing the highest-quality event services to companies and organizations.

Working with other nonprofit partners, Oscar & Ma offers apprentice-like opportunities for the formerly incarcerated, foster youth, the unhoused, and domestic violence survivors, providing a pathway to future employment.

Commitment to social & economic sustainability

Oscar & Ma is committed to expanding opportunities for people today and tomorrow. Our focus is on fair labor practices, diversity, equality, work-life balance, empowerment, community engagement, philanthropy, and volunteerism.
